

Oregon Spinal Cord Injury Connection's

ANNUAL
HALLOWEEN
COSTUME PARTY

Dear Community Partner,

Oregon Spinal Cord Injury Connection (OSCI) is a 501(c)3 nonprofit ensuring people living with spinal cord injury have the care and community they need to thrive. OSCI exists because NO ONE anticipates having a spinal cord injury, there is no cure for SCI, and there are very few resources out there to help newly injured people and their families.

OSCI is a true "pull yourself up by your bootstraps" story. It was founded by people with SCI and employs people with SCI to help its own overcome the adversity of an injury. OSCI provides resources that allow our clients to retool, adjust and thrive in a new way so they can get back to living the life they love. Learn more about our work at OregonSCI.org.

We are inviting you to partner with us and sponsor the [OSCI Halloween Costume Party](#) to support this important work. Follow the link, click the "Donate" button, and choose your sponsorship amount. Let's make a difference together!
